

prog-07 AcroForm fields — checkboxes and text fields with generated appearances

Widget annotations with /FT, /AP /N (and /D), an /AcroForm with /DR and /DA, plus non-field annotations alongside.

Checkboxes:

☐ Unchecked

☒ Checked (/AS = /Yes)

☒ Checked, red border

readOnlyRef (read-only)

LOCKED-0042

Text fields:

surveyorName (prefilled)

A. Surveyor

siteRef (empty)

notes (multiline)

Multiline field.
Second line of the field value.
Third line.

A markup annotation must coexist with the widgets above.

SIGNED

Highlighted instruction text above the signature block.
