

prog-09 UNAPPLIED /Redact annotations — the underlying text is STILL PRESENT

Every mark below is a /Redact annotation that has NOT been applied. Extractable text under it is intact and must be treated as sensitive.

Extractable text under these marks:

- Client account number: 4929 8817 3320 6641

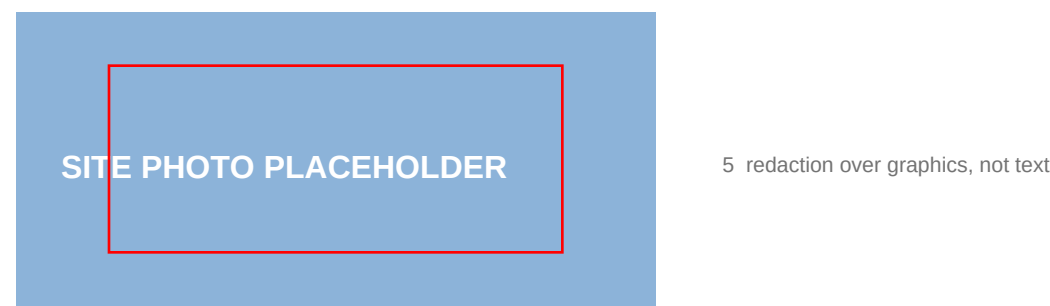

1 plain /Redact, /IC black
- Site contact: Jane Okafor, 07700 900461

2 /Redact + /OverlayText
- Contract value agreed at 412,000 GBP net.

3 blue mark, blue /IC
- Structural defect noted in bay 7 north wall.

- A redaction whose region spans the end of this line

4 two-quad redaction across two lines
- and continues onto the beginning of the next line.

This redaction annotation has no appearance stream whatsoever6 redaction with NO /AP (deliberate)

For contrast — an APPLIED redaction (content genuinely gone, black box is page content, no annotation):

Client account number: [REDACTED]

SUMMARY: 6 /Redact annotations on this page are UNAPPLIED. Text extraction still returns the sensitive strings.
An app that renders these as if they were applied, or that flattens them without applying them, is lying to the user.
